COVER - Always rewarding for sightseers and photographers, this week's wharf scene featured some unusual craft. Upper right and on page 6, "Elly", a 100-year old Swedish craft built along the wide-beamed lines of a canal boat. Completely handcrafted of solid oak, pegged and with deadeyes, "Elly" is owned by the William Gilkersons of Rochester.

The other cover photos will stir the memories of our not-too-young readers. The "Lily" of Tisbury, owned by Richard Brown, Jr. (who lives aboard), is bringing back the working age of sail and is the first

11th Annual Road Race

Due to the changes announced by the Race Committee, it appears that this year's 11th Annual Mattapoisett Road Race should be the biggest and best yet.

The most important change this year is the starting time which has been changed from 5:00 p.m. to 10:00 a.m. on July 4th. Remember, 10:00 is the new starting time. Also, the addition of two new categories for the women and one new category for the men make the categories more in line with national associations. Four trophies will be awarded in each category, a total of 32 trophies, making this year's race more competitive.

Post registrations will be accepted the day of the race from 8:30 to 9:30 in front of the Mattapoisett Inn. However, pre-registration is required to guarantee a T-shirt for the first 150 who pre-enter. For post entry T-shirts will be available while supplies last, so pre-enter or register early.

Applications are available at Seaport Pharmacy, Mr. Meat, Marion Sport Shop or can be found in the June 10th issue of the Presto Press on Page 48. For pre-entry make checks payable to Mattapoisett Road Race and send to Seaport Pharmacy, 32 County Road, Mattapoisett, Mass. 02739.

The race is restricted to Mattapoisett, Marion and Rochester residents only. Naturally, full time summer residents are eligible, but must provide proof of residence.

The race record of 25 minutes and 44 seconds (5:09 per mile), held by William Mansulla, should be seriously challenged this year. There are many local favorites such as Tim Dunn, Doug Olney, Bob Malm, Al Heitman, Joe Rideaux, Charles Prefontaine, who have been seen running the streets with their eyes on the gold for the men.

The LeClair sisters who tied last year hopefully will be back and also Diane Putman should be a serious contender this year for the woman's honors. In any event the race should be the biggest and best yet.

No other yearly event marshalls so many diverse and enthusiastic supporters - it is truly a community effort. We need your help this year as in the past.

This year's Road Race offers more trophies, more T-Shirts, more everything than any previous year's race and will be the best ever thanks to our Mattapoisett and Marion merchants. Our hats off to them and many thanks.

Selectmen's Meeting

APOLOGY TO MRS. REED

Mrs. John Reed of Pleasant View Avenue, Mattapoisett Neck, appeared before the Selectmen to rebut an attack on her credibility. She objected to a quote (which appeared in the media last week) of Selectman James Huntoon in which he stated that Mrs. Reed's report to the harbormaster was not credible. Mrs. Reed said that she has lived in Mattapoisett for a number of years, has many friends here who know her to be a reliable and responsible person. She said that when she called Harbormaster Lloyd Haskell she gave both her full name and exact address and he recognized the location of the house even to identifying the color. Mrs. Reed, and her family appearing with her, contended that when a private citizen calls a public official of the town and furnishes information which is in the public interest, then their responsiblity ends. It is, they said, the official's responsiblity to act upon the information, to investigate on the spot and on the basis of that investigation to judge whether or not action is warranted under the laws and regulations of the town. The official, and the official alone, they stated, has the authority to make the decision and to enforce the town's rules. Mrs. Reed said that her part was ended as soon as

Harbormaster Haskell received her call.

Selectman Huntoon said that, although he would apologize if any misrepresentation were apparent, he would decline because at the time of his statement he was not aware of the precise identity of the Mrs. Reed. He said now they had met, he would remember her in a most positive way.

Chairman William Hubbard offered an apology to Mrs. Reed in behalf of the entire Board of Selectmen. He told Mrs. Reed that he was well aware of her reputation and considered the published incident most unfortunate.

and save for reference.

We offer a little commentary on two of the trips. Beauport Museum is a Museum of the Decorative Arts. Originally a three room cottage on Gloucester Harbor, built in 1907, it was expanded over two decades to a unique collection of nearly forty period and thematic rooms. It is interpretive of the past through the decorative arts. Antiques fill the house, and are arranged with an eye for light, color, texture, shape, and space. Many of you have already been to Hammersmith Farm in Newport. Sufficient to say those of you who have not been there that it was the girlhood home of Jacqueline Bouvier Kennedy Onassis. Remember to call the Town Hall, Council on Aging (758-3758), or visit the office, Room 202, Monday through Friday, 9:00 a.m. to 12:00 noon for reservations.

We are asked to remind Seniors of the Cedardell Concerts at S.M.U. starting Tuesday, June 30, and continuing to Friday, July 17. The schedule is available in our office. All concerts begin at 8:00 p.m.

Tickets will be available at the door Saturday night for the "Great Gatsby Ball" at the YMCA's Camp Massasoit in Mattapoisett. The ball begins at 8 p.m. with Ted Babbitt and his "Roaring 20's Band".

Bring along your ukuleles, the Tri-County Music Association Committee urges, for the sing-along of songs of that era of razz-matazz and bathtub gin.

An anonymous judge will keep an eye on folks who choose to come in 20's costumes for winners of dinner for two at a local restaurant.

Thank You

To express our deepest gratitude and warmth to those who came to our need in time of great sorrow is something for which there are no words. The sharp edge of grief left by the loss of our son Mitchell was somewhat blunted by the overwhelming love and consolation given us by so many, who will remain in our prayers daily - THANK YOU.

FIELD WALK - SALTMARSH

The Saltmarsh is a delicate and important habitat for unique varieties of plants and animals. It serves as a nursery for many creatures from the sea who have their young there. It supplies an important source of food for these young, preparing them for their life in the deep ocean. It is also a year-round habitat for critters such as the fiesty fiddler crab and the mud snail who seems to have a built-in tide clock. The Saltmarsh is a pleasant place to visit in the summer, but to become aware of the

SATURDAY PROGRAM
MAKING A WOODEN SAILBOAT

June brings warm weather and fair breezes, and anyone with a sailing vessel has probably already "put in". Joining in the season's sport on a beginner's level, the Children's Museum is having a "Wooden Sailboat" program, given by Scott Barrow of Dartmouth. Children will make their own sailboats, learning the practical reasons for the shape of the hull they will fashion and adding their personal touch to the decoration of the sail. Each sailboat will be "launched" at the end of the program.

Our program, "Making a Wooden Sailboat", is limited to fifteen children. Registration is necessary and there is a small charge for non-members. The program is this Saturday, June 27th, and begins at 2:00 p.m.

Tobey Hospital Fair

The atmosphere of an old fashioned fair with all the trimmings will pervade the Tobey Hospital grounds on Sat., July 11, 10 to 6. All proceeds of the fun-filled day will benefit Tobey Hospital. Members of the Tobey Hospital Employees' Association and the Tobey Guild are working diligently with other Tobey friends to ensure the success of the event. The date was carefully chosen to appeal to our summer population in hopes that they too will attend.

There will be something of interest to everyone, young and old alike. Some of the many features of the day will include games for children and adults, with prizes for all, fire engine rides, painted faces, and countless salable items. Entertainment by local musicians will liven the day's activities. An artist's corner will feature paintings and posters by local artists. The varied menu will include Italian specialties, quahogs and crabs, corn on the cob, native chowder, ice cream served at an old fashioned parlor, and of course, beer, soda, and hot dogs. Many raffle items will be offered,

Boston Children's Museum

The Boston Children's Museum celebrates the second anniversary of its move to Museum Wharf with a parade, birthday cake and music on Wednesday, July 1.

The festivities begin at noon with a Grand Birthday Parade. Everyone is invited to bring a kazoo and join Museum director Michael Spock, museum staff and the larger-than-life puppets of the Northeast Kingdom Puppet Theatre in a parade which will begin on Museum Wharf and wind its way through the entire museum.

After birthday cake is served, members of Tribal Rhythms will join the party with their special brand of jump-up, join-in music and bags of homemade musical instruments for kids to play.

Throughout the day, visitors will be able to make party hats and banners from materials from the museum's Recycle Center and from noon to 4 p.m., a professional face painter will be on hand to decorate kids' faces.

To share the birthday spirit, visitors whose birthdays fall on July 1 will be admitted free.

The Children's Museum, which began in 1913, moved from its old home in Jamaica Plain to Museum Wharf, a renovated wool warehouse on Boston's waterfront on July 1, 1979. The move enabled the museum to expand, and it now serves 400,000 children and adults annually. Known throughout the world for its participatory exhibits, the museum also provides an extensive range of educational materials and services to teachers, students, community workers, parents and children.

Admission to the museum is charged, but
